- *Set-up the SQL models and created the routes for finding pairings and leaving reviews*
- *Tools: HTML, CSS, Javascript, Bulma, Sequelize, Express, Handlebars, Node*

EXPERIENCE

PPD, Wilmington, NC   August 2019-June 2022
Senior Commercial Analyst
- Led the budgeting process for clinical trials from initial RFP receipt to contract - Worked on over one hundred unique proposals with values up to $90MM in total costs
- Utilized PPD's proprietary budgeting system, Synergy, to create accurate budgets based on specifications provided by the client and internal PPD team - Operated in Excel frequently to provide clients with concise budget documents
- Tracked study spending and provided clients with cost projections based on previous work completed - Collaborated with Project Managers to align our budget with actual costs incurred during the study
